Schedule: Part-time, up to 20 hours per week

Shift Availability:

- 7:00 AM – 12:00 PM
- 1:00 PM – 4:00 PM

Work Environment: Warehouse / Open-air recycling manufacturing facility

Job Summary:

We are seeking a reliable and detail-oriented Recycling Warehouse Sorting Associate to support our recycling manufacturing operations. This role is responsible for sorting recyclable materials, maintaining an organized work area, and ensuring materials are properly separated according to recycling standards. The ideal candidate is dependable, works well in a fast-paced environment, and takes pride in keeping a clean and safe workspace.

Key Responsibilities:

- Sort and separate recyclable materials into designated areas based on material type
- Maintain a clean, neat, and organized sorting and warehouse area
- Clean work areas continuously while sorting materials to ensure safety and efficiency
- Follow recycling, safety, and warehouse procedures at all times
- Assist with general warehouse tasks and perform other duties as assigned

Qualifications & Requirements:

- Ability to work in a fast-paced, warehouse recycling manufacturing environment
- Comfortable working in an open-air or industrial setting
- Strong organizational skills and attention to detail
- Dependable, punctual, and reliable attendance
- Ability to follow instructions and work independently or as part of a team

Physical Requirements:

- Ability to stand for extended periods
- Ability to lift, carry, and move materials as required up to 50lbs
- Ability to work on feet for the duration of the shift

This part-time position offers flexible shift options and consistent hours in a hands-on recycling manufacturing environment.
